

Hey, Detroit Tech Folks...

...pleased to meat you!

LIBERTY CENTER ONE

Welcome!
You've found
your people!

We're bringing the Detroit tech community together for **FREE** beers, **FREE** BBQ and a chill night to unwind after work with other IT folks.

Our first **DETROIT TECH FEST** (formerly the Brew & Chew) is:

Thursday, February 22, 4 – 7:30 pm

Urbanrest Brewing Company

2615 Wolcott St, Ferndale

Come and join us for:

- Free food catered in from Lockhart's BBQ in Royal Oak!
- Free craft beers and drinks!
- A fun, laid-back vibe!

This is a night to meet other people in your field and build those personal connections that might help you in your career sometime. Call it "networking" if you want. We prefer to think of it as a night of excellent beers and great food with new friends in the tech industry.

NO presentations
NO Power Point
NO Sales-y stuff
NO forced fun
