

Roses are red, violets are blue,
It's almost time for the next Brew & Chew!

We don't have candy or roses for you...
Instead, we've got a beer or two!

It's in a month, so save the date,
Then grab a pint and fill a plate.

On March 16, we'll see ya' then...
Come by yourself or bring a friend!

We want you there, so we're imploring...
Please come join us...it's never boring!

Join us for FREE beer
and food at the next
